Mr. R. J. Thompson,
Sec'y. Lafayette Memorial Commission,

I understand design No. 1, to be the one bearing the heads of Washington and Lafayette on one side and the design of the monument on the other. Mr. Barber has written asking for the return of the sketches, so I suppose he has no duplicate. Please return them as soon as you receive them. It will be necessary also that Mr. Barber be furnished the plan of the monument, finally selected.

Very truly yours,

Director of the Mint.
